Ft. Worth Youth Soccer Territory

North Texas State Soccer assigns each of the youth associations a particular geographic territory. The territory assigned to Ft. Worth Youth Soccer is the greater southwest portion of Ft. Worth—extending to include the Aledo Independent School District.

Specifically, the following zip codes are included in the territory of FWYSA:

76109	76087
76116	76179
76107	76114
76132	76135
76008	76036
76133	76028
76126	76134
76123	76111
76110	76140
76108	76106

All players from these zip codes must register with FWYSA, or they must obtain a release.

AND ANY PLAYERS THAT REGISTER WITH FWYSA FROM ZIP CODES OTHER THAN THOSE ABOVE, MUST OBTAIN A RELEASE FROM THEIR HOME ASSOCIATION.

For example (and most common), players from Burleson, Cleburne, Arlington, Granbury, Weatherford (except those in the Aledo ISD), and others not included in the above zip codes must obtain a release from their particular home association.

Note that Crowley Soccer and Ft. Worth Youth Soccer have a reciprocal “blanket” release, wherein players from both territories may register in either association. In other words, Crowley players do not need a release to register with FWYSA, and FWYSA players do not need a release to register with Crowley Soccer.

The release form can be downloaded from the North Texas State Soccer web site at the following web page: <http://www.ntxsoccer.org/Youth/Forms/youthreleaseform.pdf>

Complete the top portion with player name, address, etc; complete Section 3 (with FWYSA as the Receiving Home Association); and under signatures, we would need the parent signature and the home association signature. Then you could mail or fax us the release form.
