WEATHER AND FIELD CONDITIONS HOTLINE

We will cancel, delay, or otherwise alter the schedule only if the fields are clearly unplayable due to weather or if the conditions are dangerous (e.g., lightning).

If we have any changes in the schedule at the last minute due to extreme weather conditions, we will announce these on the message on phone number 817-244-0020. However, please recognize the following:

1. All games will be played unless the fields are absolutely unplayable;
2. Even if we had heavy rain on Friday, typically no decision is made until early Saturday morning;
3. **Only one person per team should call the phone line**—if everyone called, no one would get through;
4. All players should be encouraged to be at the scheduled field at the scheduled time unless they have heard explicitly from you.
5. If weather affects play during the day, do not leave your complex until you have a clear and explicit understanding of any changes to the schedule.

We will also post any known cancellations on the web-site by 7:00am Saturday. It may not be possible to update the web-site at other times.
